

# UV1700PC UV-Visible Spectrophotometer

## UV1700PC | Spectroscopy

UV-visible spectrophotometer for routine absorbance measurement and laboratory quantitative analysis.

### Key Features

- UV-visible spectrophotometry for routine laboratory analysis
- Suitable for education, research, quality control, and environmental laboratories
- Product materials include manual and product images
- Can be quoted with PC/workstation accessories by requirement

### Typical Applications

- Quantitative absorbance analysis
- Water quality colorimetric testing
- Teaching laboratories
- Routine QC spectroscopy

### Selection Reference

|                        |   |
|------------------------|---|
| <b>Instrument Type</b> | UV-visible spectrophotometer                            |
| <b>Model</b>           | UV1700PC  |
| <b>Measurement</b>     | Absorbance and quantitative analysis                    |
| <b>Documentation</b>   | English PDF brochure available                          |
| <b>Voltage</b>         | Confirm voltage and plug standard before quotation      |
| <b>Document Status</b> | English PDF version for international product selection |

Final configuration, accessories, voltage, plug standard, documentation scope, and delivery details should be confirmed before quotation.
